SPRING AT P.S.C.

## **"YOU CAME TO PEMBROKE STATE COLLEGE"**

Years from now when you look back upon your college days you will remember that morning in September when you first entered P.S.C. Your heart seemed to burst with joy. Birds were singing although it was not spring. Through all the years of your life you will never again experience the joy and thrill that came with coming to college.

It was a new life for you freshmen. Many of you will long remember how bewildered you were at the thought of meeting strangers. You had heard of Dr. Ralph Wellons but yet your spirits soared as you saw him walk across the campus. His friendly smile and cheerful manner put you at ease. You knew that college would be a wonderful experience.

You soon discovered that there was little time to think—your life was filled with meeting new teachers, finding your way around the campus, registering, to say nothing of all the cards one had to fill out, (without errors).

You were a college student. Remember the day your boy friend said "So you're in college"! You will remember those days as days filled with studying. You studied for a biology exam, a history exam, and last, but not least, an English exam. Work! Work! Work!

Remember the first party? The Wesley Foundation and Baptist Student Union invited you as their special guests. Can anyone forget chapel programs? This was the period at P.S.C. for worship. It was here that you learned more about the true meaning of life—how to live.

You upper-classmen—it would be harder to describe your true feelings in returning to P.S.C. There was something different and yet there wasn't. What was it? Many of your old friends were gone. Your first days were filled with registration; jam sessions in Miss Livermore's room, where there were long discussions as to who dates whom now, how pretty the freshmen girls were and how much you enjoyed the fall retreat. You began dreading those eight o'clock's and those long afternoon classes—when the P.S.C. football team played E.M.I. Lou dreaded those exams under Dr. Swan. You stored memories as those golden days passed, of football games, Emeritan and Pontiac society parties, waiting in line at the Esso station, cokes and sundaes at the Old Foundry, dinner at Blue's Cafeteria, the W.F. weiner roast, the Thanksgiving Banquet, the social club on Thursday night, the first Sadie Hawkins Day, the pep rally for the game with Campbell, the Athletic Banquet and the peace and joy in your heart after Religious Emphasis week.

Those golden days passed quickly and as they passed you dimly realized, especially you seniors, that this was one of the most beautiful phases of your life. You had learned to live. Too soon, it is a thing of the past and each will go a separate way.

### **THE PRESIDENT'S MESSAGE**

The attempt to record the activities of any event or series of events is always interesting. The records placed in a college yearbook are especially interesting because they are filled, not with mere activities, but with life itself.

It gives me pleasure to compliment the 1951 INDIANHEAD Staff, because they have been able to give themselves so whole-heartedly to the recording of the exciting events of 1950-51. May this annual issue be the means of preserving the enthusiasm, the creativity, and the peculiar sense of responsibility that has characterized the student body of this year.

DR. RALPH D. WELLONS.

MISS MARJORIE KANABLE

### **DEDICATION**

As a visible evidence of the friendship and kindly assistance in the true Christian spirit which we have seen and known during our years here at P.S.C., we dedicate the 1951 INDIANHEAD to Miss Marjorie Kanable, our dear librarian. Thy personality is a thing of beauty, "A joy forever."

## B.S.U. AND W.F. FALL RETREAT

This collage consists of 15 black and white photographs arranged in a grid-like fashion, capturing various moments of social life and fashion from the 1940s. The images are as follows:

- Top Left:** A man and a woman sitting on a lawn in front of a house.
- Top Center:** A woman in a light-colored, short-sleeved dress standing in a yard.
- Top Right:** A woman in a dark jacket and light skirt standing near a building, with another person walking in the background.
- Middle Left (Large):** A large group of people, mostly men in light-colored shirts and trousers, gathered outdoors, some sitting on the ground.
- Middle Left (Small):** A group of people standing in a line outdoors.
- Middle Center:** A woman in a light dress and hat posing in a yard.
- Middle Right:** A woman in a light dress and hat posing in a yard.
- Bottom Left (Top):** A man and a woman standing together, smiling.
- Bottom Left (Middle):** A man and a woman standing together outdoors.
- Bottom Left (Large):** A group of people sitting on a lawn, some looking towards the camera.
- Bottom Center:** A group of people sitting on the back of a vintage car.
- Bottom Right (Top):** A woman in a light dress and hat posing in a yard.
- Bottom Right (Large):** A man in overalls and a hat standing next to a vintage car, with a woman in a light dress standing nearby.

The student council at P.S.C. was organized in 1948-1949 for the purpose of giving the students an organized voice in campus activities. Each year they have assumed more and more of the details of setting social policies and helping to carry out these policies. This year, they have sponsored many social activities; consulted with the faculty discipline committee and in many other ways, have shown their willingness to help in promoting the general welfare of students and the college.

Much credit for this expanded program of activity is due the President, Henry Smith, who has had the enthusiastic backing of the council, students and faculty of the college.

## **HISTORY OF THE W.F.**

The Wesley Foundation was first organized November 27, 1947 when Dr. Owens Brown was President of the Pembroke State College. Since that time it has been working here on the campus and in the community to promote better Christian ideas and living.

The W.F. takes pride in making and carrying out plans for the school term. Every year, in order to make these plans, a Fall Retreat of the W.F. and B.S.U. is held. For the year 1950-51 it was held at Melvin's Beach. The Retreat proves to be a successful event. All have fun, fellowship and find time to make plans for the coming year.

With a set up calendar, the W.F. starts the school year with the first big event—a party for it's new members. This is usually a joint party of the B.S.U. and W.F.

The programs of the Wesley Foundation vary according to the needs of the students as the program committee see fit. There are many types including movies, plays, forums, and discussions. All take an active part in carrying out these programs.

Special events that all W.F.'ers look forward to are the conferences which members attend. The Methodist Student Movement Conference was held in High Point, N. C. this year. Those attending came back with many new ideas and memories of happy experiences. Each year we look forward to deputation programs with North Carolina State College.

The Wesley Foundation with the Methodist Church and other Churches of the community are at work on the campus and in the community. Our aim is to help provide for the spiritual, moral, and social needs of our students on the campus.

## **THE BAPTIST STUDENT UNION**

The B.S.U. is a religious organization on the campus, which caters to the Baptist students of the College.

The B.S.U. functions under the leadership of a president and a Council elected from the Baptist students, and a faculty adviser.

A calendar of events such as programs, both on the campus and exchange programs are participated in by members of the B.S.U.

The aims of the B.S.U. are to encourage students to keep up their religious activities while in college—to develop the student spiritually as well as physically and mentally.

Pembroke State College girls' basketball squad finished with one of their most successful seasons in the College's athletic program throughout the years; the squad slammed home 11 games and dropped 5 games.

The squad is composed mostly of freshmen, and sophomores. In the Ellerbee Lions Invitational Women's Tournament, the sextet dropped a heart breaker in the finals and returned with the second place trophy. Katie Jones P.S.C. Forward, and Thetis Ray Locklear, guard, were placed on the all Tourney team.

## BOYS' BASKETBALL

The Braves of P.S.C. again completed another successful basketball season, as they returned with 14 victory scalps, and dragged eight of their games to superior forces, especially to service teams.

In the Ellerbee Lions Tournament the Braves captured the championship, and brought to their campus the first athletic trophy in the College's history. Braves center Ned Sampson and guard Farce Oxendine were selected on the all tourney team.
